PARSHA OUTLINE BY CANTOR VOGEL

CHAYEI SARAH

1. The death of Sarah at the age of 127; Avraham buys a burial place, the Mearat Hamachpela in Chevron.
2. Avraham sends Eliezer to Charan his homeland, and to his family to find a wife for Yitzchak.
3. Eliezer arrives at Charan, meets Rivka at the well, and makes the necessary arrangements for the marriage.
4. Eliezer returns to Canaan with Rivka, she and Yitzchak marry.
5. A listing of Avraham's children from other wives and their departure.
6. Avraham's death at the age of 175, Yitzchak and Yishmael bury him in the Mearat Hamachpela.
7. A genealogy of Yishmael's family and his death. (Both Avraham's and Yishmael's deaths are recorded prematurely to allow the Torah to focus on the events of Yitzchak and his family.)

HAFTORAH

In this week's parsha Avraham settles his affairs, and declares Yitzchak to be his rightful heir. In the haftorah, King David is faced with the same type of decision as he lays in his sickbed. Under pressure from Bat-Sheva, Shlomo's mother, Natan the prophet, and a defacto revolt by his son Adoniyahu, he finally declares publicly that Shlomo will be his rightful heir.

Israel sends emergency aid package to plague-stricken Madagascar

The Israel Ministry of Foreign Affairs and the South African branch of Israel's national emergency service, Magen David Adom, have put together an aid package for Madagascar following a deadly outbreak of the plague there, as reported by Israel21c. The Black Death broke out on the island nation in August, and has infected over 1,800 people, and killed at least 127. The World Health Organization described the outbreak as the worst in 50 years. "We expect all packages to be delivered to the International Red Cross in Madagascar in the next few days," Ayellet Black, deputy Israeli ambassador to South Africa, told the African News Agency (ANA). "The delivery of different medical equipment such as gloves to carry out medical procedures is being coordinated between Israel's Honorary Consul in Madagascar, Benjamin Memmi, and Madagascar's bureau for natural disasters," she added. "Israel has a long standing tradition of offering humanitarian assistance and coordinating relief to alleviate disease, hunger and poverty. We have experience in helping countries going through natural and man-made disasters and will always provide assistance to help those in need," she told the ANA.
