PARSHA OUTLINE BY CANTOR VOGEL

VAYISHLACH

1. Ya'akov prepares to meet Eisav, his brother and his 400 men in three ways: tribute, prayer and battle.
2. Ya'akov wrestles with an angel during the night, overcomes him and acquires the name "Yisrael."
3. Ya'akov meets Eisav and his army, they depart from each other in peace.
4. Eisav returns to Edom, Ya'akov buys a plot of land outside Shechem (today's Nablus).
5. Dinah, Ya'akov's daughter is forcibly taken by Shechem (the person); her brothers Shimon and Levi avenge the misdeed and destroy the city of Shechem.
6. Rachel dies in childbirth at Beit Lechem and is buried there. Her grave is marked.
7. Reuven sins against his father. Ya'akov returns home to his father. The Torah records (prematurely) the death of Yitzchak at the age of 180, Ya'akov and Eisav buried him at the Me-arat Hamachpela.
8. The children, generations and clans of Eisav's descendants.

HAFTARAH

The Navi Ovadiah further develops the theme of the never ending hatred of Eisav-Edom for Ya'akov-Yisrael, and vice versa. Eisav lives off the sword and although he initially holds the upper hand in the relationship, the Navi foretells of the ultimate reversal of fortune, the Jews will overcome and triumph over Eisav-Edom.

AIPAC Israel Update

In bid to boost Africa ties, Israel to open embassy in Rwanda

Israel is opening a new embassy in Kigali, Rwanda, and is weighing direct commercial flights to the East African country, Prime Minister Benjamin Netanyahu announced Tuesday. "This is part of the expansion of Israel's presence in Africa and of the deepening cooperation between Israel and African countries," Netanyahu said after a meeting with Rwandan President Paul Kagame in Nairobi. Netanyahu arrived in Kenya for a whirlwind visit to celebrate the inauguration of President Uhuru Kenyatta and for a marathon session of bilateral meetings with African leaders.. In the last two years, four African countries have opened diplomatic missions in Israel, and he was inviting others to follow suit, Netanyahu added. In July 2016, Netanyahu became the first sitting Israeli prime minister to visit Rwanda. "I am deeply impressed with Rwanda," Netanyahu said at a joint press conference. A year later, Netanyahu hosted Kagame in Jerusalem. "To be here it's like coming home," the Rwandan president said. In recent years, Rwanda has been a staunch ally of Israel, notably abstaining in 2014 vote on a resolution advancing the Palestinian statehood bid at the United Nations Security Council.
