PARSHA OUTLINE BY CANTOR VOGEL

MATOT - MASEI

1. The laws of vows and oaths and their nullification for men and women.
2. The Israelites, led by Pinchas the Kohen avenge the conspiracy of the Midianites.
3. The tribes of Reuven and Gad anger Moshe by requesting their land of inheritance be on the east side of the Jordan River. Moshe exacts a promise that they will support the conquest of the Land of Canaan proper.
4. A listing of the 48 places where the Israelites camped during the years in the desert.
5. A further warning to eradicate idol worship from the Land of Canaan.
6. The borders of the Land of Canaan (21st century politics notwithstanding).
7. The names of the leaders of the tribes who will supervise the division of the land.
8. G-d commands that 48 cities be given to the tribe of Levi – the 6 cities of refuge and 42 cities for settlement.
9. The laws of the cities of refuge and murderers and their punishment.
10. The tribe of Menashe requests a clarification of the laws of inheriting property vis a vis the daughters of Zelafchad.

HAFTORAH

Today's haftorah is the second Haftorah of Tragedy read on the three Shabbatot between Shiva Asar B'Tammuz and Tisha B'Av. The navi Yirmiyahu speaks of how the Jews have defiled their relationship with G-d, and ties the impending calamity to idol worship in the Land of Israel. He poses several questions to the nation. 1. What have you found wrong with Me (G-d) that you have contaminated my land? 2. Now, where are the gods that you have made for yourselves, let them come to your aid in time of trouble? And 3. Why do you then suddenly remember and call on G-d to help you?

AIPAC Israel Update

Senate Moves to Codify Obama-Era Aid Package to Israel

A Senate panel approved a bill on Tuesday endorsing a decade-long aid package to Israel brokered by the Obama administration, as reported by the Jerusalem Post. The U.S.-Israel Security Assistance Authorization Act of 2018 authorizes a memorandum of understanding negotiated in 2016 between the two governments which will provide Israel with \$38 billion in military aid between 2019 and 2028. A bipartisan majority of the Senate Foreign Relations Committee passed the legislation, allowing it to proceed to the full Senate floor. The bill also authorized the president to establish a US-Israeli counter-drone program, expand collaboration on the peaceful exploration of space, and produce an assessment on Israel's precision-guided defense needs with respect to threats from Hamas in Gaza, and Hezbollah in Lebanon and Syria.
